SYNRGY360XL, SYNRGY360XS, SYNRGY360T, SYNRGY360XM

SYNRGY360T

SKU: THEARCHY-360-2001

Convenient for placement against a wall, two unique training spaces provide exercisers with an effective total-body workout.

The T offers two unique training spaces that are generally placed against a wall.

The groundbreaking SYNRGY360 system creates a fun, inviting and meaningful workout experience for all exercisers.

The Ntaifitness SYNRGY360 concept's modular design can be customized to best reflect your training programs and objectives, and provide your exercisers with the motivational resources they want and need.

SYNRGY360 serves as the stage for an engaging, energetic workout experience that, when connected with the weight training spaces featured in multi-jungles, can offer an amazing array of exercise options for all goals and skill levels.

SYNRGY360 system allows fitness center operators to implement a more scalable, diverse functional group training program to challenge and invigorate current and new members. This can enhance the member experience, providing valuable, unique workouts and encouraging group dynamic and renewed memberships.

Incorporate Multi-Jungles with a SYNRGY360 system to offer even more exciting small group training options.

The possibilities are endless when it comes to the type of exercises, and they are always changing.

Participants will have access to battle ropes, TRX training suspension, boxing bag, rope pull, chin-up bar, the adjustable platform for steps up or box jumps, and dip bar.

SYNRGY360XS

SKU: THEARCHY-360-2002

This space-efficient training hub consolidates the variety of four distinctive training spaces. The Synrgy360 XS offers four unique training spaces for a space-conscious exercise hub.

The Ntaifitness SYNRGY360 concept's modular design can be customized to best reflect your training programs and objectives, and provide your exercisers with the motivational resources they want and need.

Synrgy360 is a high energy, high-intensity small group training class that consists of a variety of short bouts of work designed to challenge all fitness levels.

This highly effective workout will take your fitness to the next level! Check out our video below to see the class in motion.

Each unit is modular, which means that a facility has nearly limitless options of how to build the optimal solution for its exercisers.

The groundbreaking concept provides opportunities to offer exciting small group training to anyone in your facility.

SYNRGY360 Training System Evolves to Help Fitness Facilities of All Sizes Provide Small Group Training Workouts.

A SYNRGY360 system provides a hub of motivating energy. Ntaifitness has a wide breadth of products to create an inviting focal point for any facility.

Synrgy 360 Equipment

SKU: THEARCHY-360-2003

Synrgy360 is a modular fitness workout in which different exercises are performed on and with various fitness equipment. It is an intensive, varied workout at an individual level.

Synrgy360 is ideal for both people who are used to working out and want to get more out of their training, as well as for beginners who want to find out what the fitness equipment can do for them.

You can train your stamina, strength, suppleness or even agility.

The groundbreaking SYNRGY360 system creates a fun, inviting and meaningful workout experience for all who use it.

Ntaifitness pioneered the concept with the aim of creating transformational and inspiring fitness experiences for a large and diverse array of exercisers.

The system is not only ideal for dynamic small group training and one on one personal training, but also for individual exercisers.

Synrgy360 responds to a popular exercise trend: group training sessions, which allow trainers to charge the client less money but make more money themselves by maximizing their time.

4 Station Multi Gym

SKU: THEARCHY-2010

Specifications

Technical Specifications
